Dear Andy:

I am writing on behalf of Live 5 WCSC to thank you for helping to make the first Live 5 Charleston Joblink.com Employment Expo such a success. Having the training seminars available to those attending was equally as important as being able to connect jobseekers with employers. We were committed to providing our community with the resources necessary to help them in this tough economic time. We appreciate your willingness to present "The Job I Need, Needs Me" to those in attendance. The guidance and suggestions that you provided to those in attendance was invaluable and very well received.

We appreciate your participation in this event and wish you much success in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Rita Scott".
